PATENT APPLICATION ASSIGNMENT (Ref No. DU-144)
to OKLAHOMA MEDICAL RESEARCH FOUNDATION

Ref No. 12968/009

Patent Application(s) No. 60/622,436
Filing Date October 27, 2004

Inventor(s): Miles B. Brennan
Jessica I. Costa
Robert M. Dores
Ute H. Hochgeschwender
Carrie Haskell-Luevano

WHEREAS, Ute H. Hochgeschwender, hereinafter referred to as "Assignor", has made a new and useful invention described in the United States provisional patent application(s) entitled "COMPOSITIONS AND METHODS FOR THE TREATMENT OF PREMATURE LABOR, CUSHING'S SYNDROME AND RELATED METHODS" for which Assignor has made or will make application(s) for Letters Patent of the United States and/or Patent Cooperation Treaty (PCT) Application(s) entitled "ADRENOCORTICOTROPIC HORMONE ANALOGS AND RELATED METHODS" for which Assignor has made or will make application(s) for Letters Patent in the United States or various patent applications in certain Foreign countries outside the United States; and

WHEREAS, OKLAHOMA MEDICAL RESEARCH FOUNDATION, hereinafter referred to as "Assignee", a Corporation in the State of Oklahoma, having a principal place of business at 825 NE Thirteenth Street, Oklahoma City, Oklahoma 73104, United States, desires to acquire all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application(s), and in, to and under said application(s), and in, to and under any and all Letters Patent, United States and Foreign (outside the United States), which may be obtained therefor and thereon, as well as the right to claim priority thereto in patent applications within the United States and outside of the United States;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of One Dollar (US\$1.00) and other good, valuable and sufficient consideration to Assignor in hand paid, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents do sell, assign and transfer unto Assignee, all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application(s), and in, to and under said application(s), including any U.S., Foreign or PCT patent applications identified above, and any and all other applications thereon and arising therefrom, including any and all patent applications in the United States, the PCT and/or outside of the United States claiming priority thereto (such as divisionals, continuations, or continuation-in-parts thereof), and any and all patents to be issued and obtained therefor and thereon, United States, PCT and Foreign, including all reissues and extensions thereof.

**PATENT APPLICATION ASSIGNMENT (Ref No. DU-144)
to OKLAHOMA MEDICAL RESEARCH FOUNDATION**

Furthermore, Assignor has sold, assigned and transferred, and by these presents do sell, assign and transfer unto Assignee, the right to claim priority thereto in any and all U.S., PCT national phase and Foreign filing(s). Assignor has sold, assigned and transferred, and by these presents do sell, assign and transfer unto Assignee all of the entire right, title, and interest in, to and under said invention disclosed, described and claimed or intended so to be in said application(s), and in, to and under said application(s), and any and all other applications thereon and arising therefrom, including any and all national phase patent applications claiming priority thereto and any US or Foreign applications claiming priority to any PCT national phase applications (including divisionals, continuations, or continuation-in-parts thereof), and any and all patents to be issued and obtained therefor and thereon, in any country including the United States and Foreign, including all reissues and extensions thereof.

Assignor agrees to execute all papers necessary in connection with any interference which may be declared or litigation concerning the application(s) or continuation, division, reissue or reexamination thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or litigation.

Assignor agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

Assignor agrees to sign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said invention in this and all Foreign countries for the use of Assignee.

Assignor agrees to do all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application(s) or any divisions or continuing or reissue applications thereof, and any reexamination of any of such applications, to the said Assignee, as Assignee of the entire interest, and hereby covenants that the undersigned have full right to convey the interest herein assigned, and that the undersigned have not executed, and will not execute, any agreement to conflict herewith.

Assignor hereby grants the attorney of record the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for the recordation of this document.
