ASSIGNMENT

This Assignment is made this 3 day of January, 2008 by Ralph E. McMorris of 1202 Post Office Street, City of Galveston, State of Texas, referred to below as the "Inventor," to Yogurt Technologies LLC, a limited liability company organized under the laws of the State of Texas, with its principal place of business at 1202 Post Office Street, City of Galveston, State of Texas, referred to below as the "Assignee."

RECITALS

Inventor has obtained certain copyrights, and invented certain new and useful products concerning the production and marketing and sale of packaged beverage mixes, beverages, and foods on which patents are pending, the copyrights and patents pending being more fully described on the attached **Exhibit A**, which is incorporated herein by this reference. Assignee is desirous of acquiring the entire right, title, and interest in the copyrights and patent applications, and any improvements on them, and in letters patent when granted in the United States and foreign countries (collectively hereafter, the "Property").

ASSIGNMENT

In exchange for value received, Inventor assigns to Assignee the entire right, title, and interest in the Property made or acquired by Inventor, and to all rights of priority to the Property pursuant to the Convention establishing the World Intellectual Property Organization, and the International Convention for the Protection of Industrial Property, and in any patent on the invention and/or improvements that may be granted in the United States or any foreign country, including each patent granted on any application which is a division, substitution, or continuation of the application specifically identified herein, and in each reissue or extension of the patent. Inventor agrees to cooperate with Assignee so that Assignee may enjoy to the fullest extent the rights conveyed under this assignment. This duty includes prompt execution of all papers, to be prepared at the expense of Assignee, that are deemed necessary or desirable by Assignee to perfect the conveyed rights.

The terms, covenants, and provisions of this assignment shall inure to the benefit of the Assignee, its successors, assigns and/or other legal representatives, and shall be binding on the Inventor, the Inventor's heirs, assigns and other legal representatives. Inventor warrants and

represents that he has not entered into any assignment, contract, or understanding in conflict with this assignment.

Executed this day and year first above written in Galveston, Texas.
