**PATENT ASSIGNMENT**

WHEREAS, Corey D. Kadinger, an Individual (hereinafter referred to as "Assignor") is the owner of all right, title and interest in and to United States Letters Patent (Application) No. 6,393,645 issued on May 28, 2002, entitled Adjustable Fitting and Pipe Cleaning Brush Device and the invention described or claimed therein (hereinafter "said Patent").

WHEREAS, Assignor is now the exclusive owner of said Patent, the invention described and claimed therein, and all rights in, to and under the same; and

WHEREAS, The Mill-Rose Company, a corporation of the state of Ohio, (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Patent and the invention disclosed therein;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, transfer, assign, convey, quitclaim, and grant to Assignee, its successors, and assigns the entire right, title, and interest in and to said Patent and any continuation, division, reexamination, renewal, revival, reinstatement, substitute or reissue thereof, and any and all foreign countries which may be granted therefore for the full term or terms which the claims may be granted, including the subject matter of any and all claims which may be obtained in every such patent, the right in Assignee's

own name to apply for and obtain patents in countries foreign to the United States, including the full right to claim for any such application the benefits of the International Convention and the Patent Cooperation Treaty as fully and entirely as Assignor could have done if the foreign application had been filed in the name of the Assignor and the right to make claim for and obtain all damages by reason of infringement of any patent issuing thereon, including past infringement prior to Assignee's acquisition of these rights, together with the right to sue for in Assignee's own name, and collect damages for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor hereby covenants that no assignment, sale agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

Assignor further covenants and agrees that, upon Assignee's request, Assignor will promptly provide Assignee, at any time, upon request, with all pertinent facts and documents relating to said invention and Patent as may be known and accessible to Assignor, and will testify as to the same in any interference, litigation, or other legal proceeding related thereto, and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments, or affidavits, make all rightful oaths or declarations, and do all lawful acts requisite, required to apply for, revive, reinstate, reissue disclaim, obtain, maintain, and enforce said invention and said Patent which may be necessary or desirable to carry out the purposes hereof;
