**ASSIGNMENT
JOINT**

THIS ASSIGNMENT, by Paul A. WENDER, Elena A. GOUN and Lisa R. JONES (hereinafter referred to as the assignors), having a mailing address of Department of Chemistry, Stanford University, Stanford, California 94305; Lokey Building, Room 229, 337 Campus Drive, Stanford University, Stanford, California 94305; and Department of Chemistry, Stanford University, Stanford, California 94305, respectively, witnesseth:

WHEREAS, said assignors have invented certain new and useful improvements in COMPOSITIONS AND METHODS FOR TRANSPORT OF MOLECULES WITH ENHANCED RELEASE PROPERTIES ACROSS BIOLOGICAL BARRIERS, set forth in an application under the Patent Cooperation Treaty filed with the United States Patent and Trademark Office acting as Receiving Office, bearing Application No. PCT/US2007/005375 and filed on February 27, 2007 (said application hereinafter referred to as the PCT application); and

WHEREAS, The Board of Trustees of the Leland Stanford Junior University, a corporation duly organized under and pursuant to the laws of California and having its principal place of business at 1705 El Camino Real, Palo Alto, California 94306 (hereinafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said PCT application, and in and to any Letters Patent or Patents or counterpart thereof, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, said PCT application, any and all national phase applications based on said PCT application, and any and all Letters Patent or Patents or counterpart thereof in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents or counterpart thereof, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents or counterpart thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignors are the sole and lawful owners of the entire right, title and interest in and to said inventions and the PCT application above-mentioned, and that the same are unencumbered and that said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said PCT application, or any and all national phase applications based thereon, or any proceeding in connection with Letters Patent or counterpart thereof for said inventions in any country, including interference proceedings, is lawful and

desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or counterpart thereof or any reissue or extension of any Letters Patent or counterpart thereof, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or counterpart thereof for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request that any and all Letters Patent or counterpart thereof based on said PCT application be issued to said assignee as the assignee of said inventions, said PCT application, and any Letters Patent or counterpart thereof to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
