ASSIGNMENT

KNOW ALL MEN BY THESE PRESENTS, That Whereas I, Alfred Riddle have invented certain new and useful improvements in” System and Method for Gas Analysis Using Photoacoustic Spectroscopy ” for which an Application for Letters Patent of the United States of America is being filed on even date herewith, and

WHEREAS Finesse Solutions, LLC., a Limited Liability Company duly organized and existing under the laws of the state of Delaware, and having an address at Bldg. 1, 3350 Scott Blvd., Santa Clara, CA. 95054-3107 is desirous of acquiring all right, title and interest therein and in any Letters Patent issuing thereon or claiming priority therefrom to be obtained in the United States or in any other country;

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations paid to me by Finesse Solutions, LLC. the receipt and sufficiency whereof are hereby acknowledged, I do hereby sell, assign, transfer and set over to Finesse Solutions R&D, LLC., its successors and assigns, the entire right, title and interest in, to and under the said application for United States Letters Patent, including all priority rights arising therefrom, all inventions therein disclosed, and any and all Letters Patent of the United States and of all other countries which may be granted for any or all of the said inventions, TO HAVE, HOLD and ENJOY the said inventions, the said Application, and the said Letters Patent to said Finesse Solutions, LLC., its successors and assigns, to its and their own use and behoof to the full end of the term or terms for which the said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made.

And I do hereby authorize and request the Commissioner of Patents of the United States to issue any United States Letters Patent which may be granted on the said application, or any divisional, reissue or continuation applications claiming priority therefrom, or for the said inventions, or any of them, to said Finesse Solutions, LLC., its successors and assigns, as assignees of the entire right, title and interest therein and thereto.

And I do hereby, for myself and for my legal representatives, covenant and agree with, Finesse Solutions, LLC., its successors and assigns, that I have granted to others no license to make, use or sell any of the said inventions, my right, title and interest in the said inventions has

not been encumbered, that I have good right and title to sell and assign the same, and that I will not execute any instrument in conflict herewith.

And I do hereby affirm, for my successors and assigns, that upon request I will, and they shall, execute utility, divisional, reissue and/or continuation applications, amended specifications, or execute rightful oaths; communicate to Finesse Solutions, LLC., its successors and assigns, any facts known to me relating to the said inventions or the history thereof; execute preliminary statements and testify in any interference proceedings; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for Finesse Solutions, LLC., may be reasonably necessary or convenient to secure the grant of Letters Patent to Finesse Solutions, LLC. its successors and assigns, to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Finesse Solutions, LLC., and to secure for Finesse Solutions, LLC., its successors and assigns, or its nominees, the full and complete legal and equitable title to all such Letters Patent, without further consideration than that now paid but entirely at the expense of, Finesse Solutions, LLC., its successors or assigns.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below:

Date: 1/04/08
