hereinafter referred to as The Application;

AND WHEREAS,

Research in Motion Limited

hereinafter referred to as Assignee, whose full post office address is,

295 Phillip Street West

Waterloo, Ontario N2L 3W8 Canada

desires among other things to acquire Assignor's entire right, title and interest in and to The Invention and Application;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor confirms that it has agreed to sell, assign and transfer and hereby does sell, assign and transfer to Assignee, its successors, assigns, or legal representatives, its entire right, title, interest, property and benefit for Canada, the United States, Europe and all other jurisdictions throughout the World in and to The Invention, together with its entire right, title, interest, property and benefit in and to The Application including any and all corresponding division, reexamination, reissue, continuation and extension application of The Application and any and all Letters Patent that may issue or result therefrom for The Invention, and any and all rights of priority in and resulting from the filing of the Application, the corresponding applications

and any previously filed applications in respect of the Invention under international conventions, treaties or otherwise, to the full extent of the term for which each said Letters Patent may be granted, and including any right to claim priority based on The Application, the same to be held and enjoyed as fully and completely as the same would have been held and enjoyed by Assignor had this Assignment not been made;

AND ASSIGNOR, on behalf of itself and its heirs, executors and administrators, does hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may reasonably be required by said Assignee, its successors, assigns, or legal representatives, to obtain any and all Letters Patent for The Invention and vest the same in said Assignee, its successors, assigns, or legal representatives.

AND ASSIGNOR does hereby authorize any official whose duty it is to grant patents, to grant each said Letters Patent for The Invention to the Assignee, and to Assignee's successors, assigns, nominees or other legal representatives.

AND ASSIGNOR, on behalf of itself and its executors and administrators, does hereby authorize said Assignee, its successors, assigns, or legal representatives, including its Patent Agents, McCarthy Tétrault LLP, to amend the present assignment to insert or correct the filing date, serial number or other identifying information of the Application as may be needed to record same.
