## ASSIGNMENT

1. WHEREAS, Nexus Consulting Limited, of P.O. Box 556, Main Street, Charlestown, Nevis, a corporation duly organized and existing under the laws of the Island of Nevis (hereinafter referred to as "Assignor"), is the owner of the entire right, title and interest in and to certain United States and foreign patent applications and the inventions disclosed therein;

2. AND WHEREAS, THE JAMES B. GRIMES AND TRACIE LYNN GRIMES 1998 TRUST, a revocable living trust duly organized and existing under and by virtue of the laws of the State of California (hereinafter referred to as "Assignee"), is desirous of acquiring certain rights thereunder;

3. NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign, and transfer unto said Assignee its entire right, title, and interest in and to said inventions, said United States applications, any other United States applications (including provisional, non-provisional, divisional, continuing or reissue applications) based in whole or in part on said United States applications or in whole or in part on said inventions, any foreign applications based in whole or in part on any of the aforesaid United States applications or in whole or in part on said inventions, and any and all patents (including extensions thereof) of any country which have been or may be granted on any

of the aforesaid applications or on said inventions or any part thereof;

4. TO BE HELD AND ENJOYED BY Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by said Assignor had no sale and assignment of said interest been made;

5. AND so far as said Assignor's interest is concerned said Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States patents which may be granted upon said United States applications or any of them, or upon said inventions or any part thereof, to said Assignee;

6. AND Assignor agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by said Assignee to fully secure Assignee's interest in and to said inventions or any part thereof, and in and to said several patents or any part thereof;

7. AND Assignor hereby covenants that Assignor has granted no right or license to make, use or sell said inventions, to anyone except said Assignee, that prior to the execution of this deed Assignor's right, title and interest in said inventions had not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.
