ASSIGNMENT

KNOW ALL MEN BY THESE PRESENTS, That Whereas We, MARK SELKER and Barbara Paldushave invented certain new and useful improvements in “Disposable Bioreactor System”; and

WHEREAS FINESSE SOLUTIONS, LLC., a Limited Liability Company duly organized and existing under the laws of the state of Delaware, and having an address at Bldg. 1, 3350 Scott Blvd., Santa Clara, CA. 95054-3107 is desirous of acquiring all right, title and interest therein and in any Letters Patent claiming priority therefrom to be obtained in the United States or in any other country;

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations paid to each of us by FINESSE SOLUTIONS, LLC. INC., the receipt and sufficiency whereof are hereby acknowledged, we each do hereby sell, assign, transfer and set over to FINESSE SOLUTIONS, LLC., its successors and assigns, the entire right, title and interest in, to and under the said provisional application for United States Letters Patent, including all priority rights arising therefrom, all inventions therein disclosed, and any and all Letters Patent of the United States and of all other countries which may be granted for any or all of the said inventions, TO HAVE, HOLD and ENJOY the said inventions, the said Application, and the said Letters Patent to said FINESSE SOLUTIONS, LLC., its successors and assigns, to its and their own use and behoof to the full end of the term or terms for which the said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And we do hereby authorize and request the Commissioner of Patents of the United States to issue any United States Letters Patent which may be granted on the said application, or any divisional, reissue or continuation applications, or for the said inventions, or any of them, to said FINESSE SOLUTIONS, LLC., its successors and assigns, as assignees of the entire right, title and interest therein and thereto.

And we each do hereby, for each of us and for our legal representatives, covenant and agree with, FINESSE SOLUTIONS, LLC., its successors and assigns, that we have granted to others no license to make, use or sell any of the said inventions, the right, title and interest in the

said inventions has not been encumbered, that we each have good right and title to sell and assign the same, and that we will not execute any instrument in conflict herewith.

And we each do hereby affirm, for our successors and assigns, that upon request we will, and they shall, execute utility, divisional, reissue and/or continuation applications, amended specifications, or execute rightful oaths; communicate to FINESSE SOLUTIONS, LLC., its successors and assigns, any facts known to any of us relating to the said inventions or the history thereof; execute preliminary statements and testify in any interference proceedings; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for FINESSE SOLUTIONS, LLC., may be reasonably necessary or convenient to secure the grant of Letters Patent to FINESSE SOLUTIONS, LLC. its successors and assigns may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved FINESSE SOLUTIONS, LLC., its successors and assigns, or its nominees, the full and complete legal and equitable title to all such Letters Patent, without further consideration than that now paid but entirely at the expense of, FINESSE SOLUTIONS, LLC., its successors or assigns

IN WITNESS WHEREOF, we each have hereunto set my hand and seal on the date indicated below:
