CORPORATE ASSIGNMENT

WHEREAS, Schott AG., a German corporation, with its principal place of business at Hattenbergstrasse 10, 55122 Mainz, Germany (hereinafter referred to as "Assignor"), is the owner of certain patent application and inventions set forth in Schedule A, attached hereto (hereinafter referred to as "Assigned Patents"); and

WHEREAS, Auer Lighting GmbH, a German corporation, with its principal place of business at Hildesheimer Strasse 35, 37581 Bad Gandersheim, Germany (hereinafter referred to as "Assignee"), wishes to acquire the entire right, title and interest in and to the Assigned Patents, as wells as to the patent application and all other corresponding foreign patent rights;

NOW THEREFORE, for valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignor sells, assigns and transfers to Assignee, its successors and assigns, the entire right, title and interest for the United States in and to the Assigned Patents for the full term of any Letters Patent which issues therefrom; and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (C-I-P's) divisionals, and renewals of and substitutes for said application for said Assigned Patents, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore; and any reissues, or reexaminations, or extensions of said Letters Patent.

The Assignor also sells, assigns and transfers to Assignee the entire right, title and interest in and to the invention and application for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including all rights under the International Convention. The Assignor further authorizes Assignee to apply for Letters Patent in foreign countries in the name of the inventors who have previously assigned this right and this invention to Assignor, and to claim the priority of the filing date of the United States Application under the provisions of the International Convention;

The Assignor further agrees, for itself and its legal representatives, it will assist or direct the inventors to assist Assignee in the prosecution before the United States Patent Office and the Federal Courts of this application, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignee elects to make covering the invention. The Assignor vests in Assignee like exclusive title in and to all such other applications and Letters Patent. The Assignor will execute or direct the inventors to execute and deliver to Assignee any documents which may be requested by Assignee to carry out the terms of this Assignment; and

The Commissioner of Patents and Trademarks of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. The Assignor also authorizes and requests the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized officer effective as of the 10 day of December 2007.
