OP \$40.00 12020124

Attorney Docket No. CPOL 955503/17957

**ASSIGNMENT AND AGREEMENT**

For and in consideration of the sum of One Dollar to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, **Marcin Godlewski** and **Charles Moreman**, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto **Cisco Technology, Inc.**, a California corporation having a place of business at 170 W. Tasman Drive, San Jose, CA 95134, United States of America, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in **TRANSPORTING MULTI-BASIC SERVICE SET (BSS) FRAMES OVER WIRED MEDIUM PRESERVING BSS-ID** (Case No. CPOL 955503/17957) described, illustrated and claimed in an application for Letters Patent of the United States of America which was filed on January 25, 2008 and assigned Application No. 12/020124, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and upon any division, extension, continuation or reissue thereof.

We hereby also sell, assign and transfer unto the said **Cisco Technology, Inc.**, the entire right, title and interest in and to said invention and in and to applications for Letters Patent therefore in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said invention and said applications for Letters Patent in foreign countries, and we further authorize the said **Cisco Technology, Inc.**, to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to the said **Cisco Technology, Inc.**, for the sole use and behalf of said **Cisco Technology, Inc.**, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to the said **Cisco Technology, Inc.**

We agree that, when requested, we will, without charge to said **Cisco Technology, Inc.**, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said **Cisco Technology, Inc.**, its successors, assigns and legal representatives or nominees.

Attorney Docket No. CPOL 955503/17957

We covenant with said Cisco Technology, Inc., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.

We also authorize counsel for Cisco Technology, Inc. to enter above the filing date and application number of the application when they become available.
