ASSIGNMENT OF INVENTION RIGHTS

WHEREAS,

Jason A. Gammon
7835 Surreywood Place
Charlotte, NC 28270

(hereinafter "Assignor") has or may have invented certain new and useful improvements and/or designs (hereinafter "Invention"), for a full description of which reference is here made to a patent application titled:

CUTTING BOARD ASSEMBLY

(hereinafter "Application") filed with the U.S. Patent & Trademark Office, and for which the following serial number and filing date for said application were received:

Serial Number: 29/296,404 Filed on: October 25, 2007; and

WHEREAS,

CCB Technologies, LLC
520 Elliot Street, Suite 200
Charlotte, NC 28202

(hereinafter "Assignee") is desirous of acquiring all rights, title, and interests in, to, and under the Invention and the Application, and in, to, and under any and all patents that may be obtained for the Invention, together with all rights corresponding thereto;

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of the sum of One Dollars (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has agreed to quitclaim, sell, assign, transfer and convey, and by these presents does hereby quitclaim, sell, assign, transfer and convey, unto Assignee any and all right, title, and interest in, to and under:

- ☐ The Invention and the Application;
- ☐ Any and all other applications for patent for the Invention that may or have been filed in any and all countries, including any patent application from which priority is claimed;
- ☐ Any and all patents that may be obtained for the Invention in any and all countries;
- ☐ Any reissue, reexamination, extension, renewal, substitution, conversion, confirmation, division, continuation, nonprovisional, continuation-in-part and the like of any of the foregoing; and
- ☐ Any past or present right or cause of action arising with respect to any of the foregoing, including the right to sue for patent infringement;

(hereinafter collectively "Invention Rights").

FURTHERMORE,

Assignor hereby covenants and agrees, and binds any and all heirs, administrators, legal representatives, nominees, and assigns, to assist and cooperate with Assignee, and Assignee's expense, in the preparation and prosecution of any application included within the Invention Rights and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any application or patent included within the Invention Rights and, further, to execute and deliver to Assignee any and all additional petitions, oaths, assignments, or other papers or instruments that may be requested by Assignee for the purpose of implementing this Agreement.

Assignor hereby authorizes and empowers Assignee to invoke and claim for any application or patent included within the Invention Rights the benefit of any rights to which Assignor might be entitled under international law or under the laws of any particular country, and to invoke and claim such rights without further written or oral authorization from Assignor.

Assignor hereby consents and agrees that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and, more particularly, in proof of the right of Assignee to claim the aforesaid benefit of the right of priority.

Assignor covenants and agrees that this Assignment and all the terms thereof shall inure to the benefit of the successors, assigns, legal representatives, or nominees of Assignee, without further written or oral authorization from Assignor.

Assignor further hereby represents and warrants that Assignor is an original inventor of the Invention; and Assignor has reviewed and understood the contents of the Application.

Finally, Assignor hereby authorizes and requests the Commissioner of Patents of the United States Patent and Trademark Office to issue any patent included within the Inventions Rights to Assignee.
