PETITION WITH STATEMENT IN SUPPORT OF FILING UNDER 37 CFR 1.47(A) FOR INVENTOR WHO COULD NOT BE FOUND OR REACHED AFTER DILIGENT EFFORT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The above referenced patent application was filed without signatures on May 14, 2007. A Notice to File Missing Parts of Nonprovisional Application was mailed June 19, 2007. Since receiving the Notice to File Missing Parts, repeated attempts have been made to obtain the signature of Gene Wesley Marsh, all of them unsuccessful.

37 CFR 1.47(a) states:

“If a joint inventor refuses to join in an application for patent *or cannot be found or reached after diligent effort*, the application may be made by the other inventor on behalf of himself or herself and the nonsigning inventor. The oath or declaration in such an application must be accompanied by:

- 1) a petition including proof of the pertinent facts;
- 2) the fee set forth in 1.17(g) [\$200]; and
- 3) the last known address of the nonsigning inventor

The present Petition, along with a fee of \$200 charged to Deposit Account 50-3914 is made herein. The last known address for Gene Marsh is:

Gene Wesley Marsh
1353 Calais Drive
Del Mar, CA 92014

PROOF OF THE PERTINENT FACTS

Gene Marsh was employed by Applicant from October 10, 2003 to March 17, 2006.

On May 16, 2007, two days after filing the above referenced application, my firm emailed the signature documents to the applicant, requesting that all inventors sign and return. A copy of this email correspondence is attached hereto.

On June 12, 2007, we received an email sent (June 11, 2007), indicating that Gene Marsh had resigned from Applicant, that the forms had been sent to him, but likely at an old address. A request had been made from the Human Resources Department to obtain his new address. A copy of this email correspondence is attached hereto.

On June 22, 2007, we received email copies of the inventors signatures, except for Gene Marsh, and asked the applicant to let us know if they required our assistance to obtain his signature.

On July 11, 2007, we received an email from Applicant indicated that they had sent to Mr. Marsh the signature documents, via DHL courier, to the address listed on his contractor agreement. But apparently the address listed was incorrect. A copy of this email correspondence is attached hereto.

On November 1, 2007, we sent a follow up email to Emily Lu (an employee of the Assignee) asking her to attempt to locate Mr. Marsh. A copy of this email correspondence is attached hereto.

On November 15, 2007, I sent a letter to the last known address for Mr. Marsh, requesting that he execute and return the signature documents. In the letter, I referenced attempts to reach Mr. Marsh by telephone, and by email, each unsuccessful. I further enclosed a self addressed pre paid envelope to return the signature documents. This letter was sent via Express Mail requesting a signature for delivery. A copy of the letter, and the express mail signature are attached hereto.

On November 19, 2007, the United States Postal Service delivered the package to the last known address for Mr. Marsh. The package was received and signed by a Zi Marsh on December 6, 2007. A copy of the USPS delivery, and the signed receipt are attached hereto.

Since the receipt of the letter by Zi Marsh, we have not received any correspondence, either my phone, email, or physical mail.

In view of the above statement of facts, Applicant believes that Mr. Marsh is unreachable (or unwilling) to execute the signature documents as an inventor of the present application. Therefore, Applicant is submitting herewith a Response to the Notice to Missing Parts, along with a Petition for Extension of Time (6 months), and the present Petition.

Applicant earnestly requests that the Examiner contact the undersigned practitioner by telephone if the Examiner has any questions or suggestions concerning this amendment, the application, or allowance of any claims thereof.

Respectfully submitted,
HUFFMAN LAW GROUP, P.C.

Dear Vicki,

Thank for your reminder.

I did e-mail forms to Lauren(contact window in US office) on May 22, and just send a reminder to her. But Gene and Satyaprasad resigned, I sent forms to them via DHL. Regarding Gene, I know Gene 's home address is wrong, I asked our US-HR to send his NDA, Offer letter to me. Regarding Satyaprasad, I believe I can get his signature shortly.

Thank you, Tako. We do not need the original signature documents. However, we have just received the Notice of Missing Parts (we are in process of getting copies to you) and we will have to respond no later than 08/19/07, so we need Satvapasrad's documents as soon as possible, but no later than **07/19/07**. If you are having difficulty in obtaining his signature, please let us know immediately and Jim Huffman will pursue. Additionally, different emails and documentation from you have this inventor's first name spelled differently. Some are spelled as Satvapasrad and others have his name spelled Satyapasrad. Please be sure to correct his signature documents so that we have them correct for submission.

If you have any questions, please do not hesitate to contact me or Taysie.

Thank you for getting these signature documents to us right away.

I tried to send the documents via DHL(see attached file), but his home address is wrong depending on the address in the attached contractor agreement, so I can't locate him.

Mr. Marsh assigned his right to VIA Telecom, Inc., I will send assignment from VIA Telecom, Inc. to VIA Telecom Co., Ltd.(applicant) shortly.

If you still want to try to locate him again, you can see telephone number and email address as contractor agreement. And, please advise your charge for this matter in advance, thanks.

Hello Tako

I had Jim review the contractor agreement for Gene Marsh that you had sent to us. Per Jim, that will not be sufficient for us to file for the assignment or declaration. We really need Gene to sign the assignment & declaration that I have attached. Please let me know if I can be of assistance or if you have any questions.

Hello Emily

I have attached signature documents that we need Gene Marsh to sign. We have received the signatures from the other inventors. We have been unable to locate Mr. Marsh. Would you be able to help me with this? We were supposed to have filed this document on 8/19/07. There is a fee for each month we are late. The latest we could file these and not abandon this application is 01/19/2008. The charge would be \$2230. We really need to file these documents as soon as possible. Please let me know if you have any questions.
Thank you for your help!

RE: Required Signature for VIA Technologies, Inc. filing documents

Dear Mr. Marsh:

I am the outside counsel representative for VIA Technologies, Inc. in the oversight of their intellectual property. On May 14, 2007 an application was filed with the US Patent Office for VIA Technologies, Inc. of which you are listed as one of four inventors. It is my understanding that a representative of VIA Technologies, Inc. has made multiple, but unsuccessful, attempts to contact you to obtain your signature for documents required by the US Patent Office.

I have also tried to reach you, via your email address of record, and by telephone, but each of my attempts has also been unsuccessful. We are in a critical time period in which your signature is urgently required. Enclosed you will find these signature documents. It is my request that you sign each document and return the original copies to me in the enclosed stamped envelope as soon as possible, preferably no later than Wednesday, November 21, 2007. These documents acknowledge ownership of this application to VIA Technologies, Inc. Please note that if you do not sign these documents, the application will still proceed with the patent office. We will simply use the Independent Contractor Agreement that you already signed with VIA as support of their ownership. However, the attached documents are much preferable, as they will allow us to continue to keep you in the loop regarding the patent application.

If you have any questions regarding this matter, please do not hesitate to contact me via email at jim@huffmanlaw.net, or by telephone at 719-475-7103. Again, this is of extreme importance and urgency that I request the return of these signed documents.

Thank you. I look forward to hearing from you next week.

Sincerely,

/James W. Huffman/
