ASSIGNMENT

Serial No. 11/934,502

Filed November 2, 2007

Title Device for guiding an aircraft along a flight trajectory.

For one dollar

the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign to
AIRBUS France residing at 316 Route de Bayonne - 31060 TOULOUSE - France

its successors and assigns _____ the entire right,
title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent
of the United States, executed by the undersigned on December 14, 2007 and in said appli-
cation and any and all other applications, both United States and foreign, which the undersigned may file, either solely
or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and
foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said
assignee AIRBUS France

The undersigned hereby authorize and request the attorneys of record in said application to insert in this assign-
ment the date and serial number of said application when officially known.

The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make
this assignment; and further warrant that there are no outstanding prior assignments, licenses, or other rights in the
interest herein assigned.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its
successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for
said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or
extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents
for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns, may
deem necessary or expedient, and for the said considerations the undersigned further agree upon the request of said
assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved
in interference, to co-operate to the best of the ability of the undersigned with said assignee, its successors or assigns,
in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof,
the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent,
both United States and foreign, and vest all rights therein hereby conveyed in the said assignee, its successors and
assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the
full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been
held and enjoyed by the undersigned if this assignment and sale had not been made.
