Case No. 13010/002**ASSIGNMENT OF PATENTS**

WHEREAS, Richard R. Tucker, hereinafter called the "Assignor", has made the inventions described in: United States Patent No. 6,840,367, issued on January 11, 2005, entitled MATERIAL HANDLING AND MANUFACTURING SYSTEM AND METHOD; United States Patent No. 6,976,835, issued on December 20, 2005, entitled MANUFACTURING SYSTEM AND PROCESS; and United States Patent No. 7,018,579, issued on March 28, 2006, entitled MANUFACTURING SYSTEM AND PROCESS. WHEREAS, Andrew Tucker, an individual, having a place of residence at 3163 Princeton Dr. Terre Haute, IN 47802, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the inventions and the patents identified above, and all patents which may be obtained for said inventions, as set forth below;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the inventions and the patents identified above, and any other patents that may issue for said inventions in the United States; together with the entire right, title and interest in and to said inventions and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of the patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, his successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the making and

prosecution of any other patent applications that the Assignee may elect to make covering the inventions identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
