ASSIGNMENT

WHEREAS, We, Darren S. Guccione, residing at 231 Danada Drive, Wheaton, IL 60187 US; and Craig B. Lurey, residing at 5223 Mertola Drive, El Dorado Hills, CA 95762 US, have invented certain new and useful improvements in **CHARGING DEVICE**, and have executed an application for United States Design Patent, and

WHEREAS, **CALLPOD INC.**, a corporation organized and existing under the laws of the State of Illinois, having its principal place of business at 850 West Jackson Boulevard, Suite 400, Chicago, Cook County, Illinois 60607, is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and in to and under all Design Patent of the United States and foreign countries that may be granted therefor;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to me in hand and paid by said **CALLPOD INC.** the receipt of which is hereby acknowledged, we, said Darren S. Guccione, and Craig B. Lurey, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over to and unto said **CALLPOD INC.**, its successors and assigns, for, within and throughout the United States and the territories thereof, and all foreign countries, the entire right, title and interest in and to said invention, and in, to and under said application, and all Design Patent of the United States and foreign countries that may be granted for said invention and improvements, including divisions, reissues, subdivisions, continuations and prolongations of such applications and Design Patent, to have and to hold for the sole and exclusive use and benefit of said **CALLPOD INC.**, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue, and further, including the right to **CALLPOD INC.**, to file in its name applications for Design Patent to said improvements in any country or countries foreign to the United States including the full right to claim for any such applications the priority benefits of the International Convention for the Protection of Industrial Property and other priority conferring treaties, and all Letters Patent which may be granted for said improvements in any

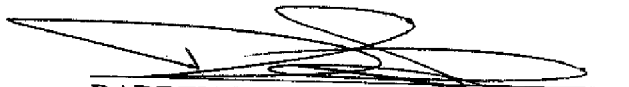

country or countries foreign to the United States and all extensions, renewals and reissues thereof.

We do hereby covenant and agree, for myself, my heirs and my legal representatives, that we will assist said **CALLPOD INC.**, in the prosecution of the application herein identified; in the making and prosecution of any other applications for Design Patent that said **CALLPOD INC.**, may elect to make covering the invention herein identified, as hereinbefore set forth; in vesting in said **CALLPOD INC.**, like exclusive title in and to all such other applications and Design Patent; and in the prosecution of any interference which may arise involving said invention, or any application or Design Patent herein contemplated; and that I will execute and deliver to said **CALLPOD INC.**, any and all additional papers that may be requested by said **CALLPOD INC.** to fully carry out the terms of this assignment.

And we do hereby authorize and request the Commissioner of Patents to issue all Design Patent of the United States that may be granted pursuant to application aforesaid, or for said invention, to said **CALLPOD INC.**, its successors and assigns in accordance with this assignment.

And we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith.
