ASSIGNMENT

WHEREAS, I, Martin Pusch, of Duderstadt, Germany, having invented certain new and useful improvements in ADJUSTABLE ORTHOPEDIC AID FOR AN EXTREMITY, for which an application has been filed on January 2, 2008, identifiable in the United States Patent Office by Serial No. 11/994,489, and claiming priority to PCT/DE06/01129 and German application 10 2005 031 185.7 and

WHEREAS, Otto Bock Healthcare IP GmbH & Co. KG, a Corporation of the Country of Germany, and having an address of Max-Näder-Straße 15, 37115 Duderstadt, Germany, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Otto Bock Healthcare IP GmbH & Co. KG, its successors and assigns, the entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or m executors or administrators will, at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, we have hereunto set my hands on the date written below.
