First Named Inventor: Garrett Young

Title: PROJECTOR

WHEREAS, I, Timothy Patrick Linahon of 502 West 3rd Street South, Newton, Iowa 50208, have invented certain new and useful inventions, as described in an application for Letters Patent of the United States, entitled "PROJECTOR" which application may be identified in the United States Patent Office as a Nonprovisional Application, Serial No. 29303934, filed Feb. 20, 2008; and

WHEREAS, Garrett Young, an individual residing at 1713 South Second Street, Oskaloosa, Iowa 52577 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to the inventions, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the undersigned hereby transfers to Assignee, his successors and assigns, the entire right, title, and interest in and to the inventions, the above-identified patent application, corresponding domestic applications (including provisionals, divisionals, continuations, continuations-in-part, reissues, reexaminations, substitutions and extensions thereof), corresponding foreign applications, all Letters Patent or similar legal protection issuing thereon, all rights and benefits under any applicable treaty or convention, and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

The undersigned will not execute any writing or do any act whatsoever conflicting with these obligations, and will, at any time upon request, without further or additional consideration, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining any original, divisional, continuation, continuation-in-part, reexamination, or reissue patent or application (or substitutions or extensions) of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits (where said Assignee will reimburse the undersigned for reasonable expenses associated with such assistance). The foregoing covenant and agreement shall inure to the benefit of the assigns and legal representatives of the undersigned and Assignee; and the undersigned authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

The undersigned authorize the Assignee, his successors and assigns, or anyone he may properly designate, to insert in this instrument the filing date and application number of the application when ascertained. The undersigned authorize the Assignee, his successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in his own name if desired, in any and all foreign countries.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal on the date indicated below
