ASSIGNMENT

WHEREAS, I, Erling Rytter of Trondheim Norway; have invented certain new and useful improvements in PROMOTED FISCHER-TROPSCH CATALYSTS, for which an application for Letters Patent of the United States is being made, and which may be identified in the United States Patent Office by Application No. 11/663,663, filed March 23, 2007.

WHEREAS, Statoil ASA and Petro SA ("Assignees"), business entities organized and existing under the laws of the Country of Norway and South Africa, and having their principal offices at N-4035 Stavanger Norway and 2 Portswood Square, Dock Road V & A Waterfront, Waterfront, CapeTown 8001, Private Bag XI, Waterfront 8002 South Africa, are desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid by said Assignees, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignees, its successors and assigns, the entire right, title and interest in and to said invention, said application, all applications claiming priority to said application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

I hereby authorize the above mentioned Assignees, their successors and assigns, or anyone they may properly designate, to insert in this instrument the date of execution and/or filing date and application number of said application when ascertained.

I further authorize said Assignees, their successors and assigns, or anyone they may properly designate, to apply for Letters Patent, in their own names if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration I do hereby covenant and agree with the said Assignees, their successors and assigns, that I will not execute in writing or do any act whatsoever conflicting with these presents, and that me or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignees, their successors and assigns, execute such additional writings and do such additional acts as said Assignees, their successors and assigns, may deem necessary or desirable to perfect the Assignees enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result

Application No. 1101.158US01

of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seal as dated below.

Date: 7 May 2007
