**ASSIGNMENT**

WHEREAS, we, Thomas P Binder, residing at 2323 West Packard Street, Decatur, Illinois 62522 and Thomas V Gottenmoller, residing at 1565 Alexander Drive, Mount Zion, Illinois 62549, have invented certain new and useful apparatus, inventions, discoveries and/or improvements disclosed in a U S Utility Patent Application entitled "Dry Corn Mill as a Biomass Factory" filed in the United States Patent and Trademark Office, which claims priority to U S Provisional Patent Application Serial No. 60/904,527, filed March 2, 2007, hereinafter the "application(s)"; and with respect to which we hereby authorize and request Archer-Daniels-Midland Company's attorney, Craig G Cochenour, Esquire, Buchanan Ingersoll & Rooney PC, to insert here in parentheses (U S. Utility Patent Application No 12/037,316, filed 2/26/2008 ) the application number and filing date of said U S Utility Patent Application when known;

AND WHEREAS, Archer-Daniels-Midland Company, having a place of business at 4666 Faries Parkway, Decatur, Illinois 62526 (hereinafter the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said application(s) and the apparatus, inventions, discoveries, and improvements therein disclosed;

NOW THEREFORE, in consideration of One Dollar (\$1 00) and other good and valuable consideration paid to us by said Assignee, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said application(s) and the apparatus, inventions, discoveries and improvements therein disclosed for the United States of America and its territories and all foreign countries and any Letters Patent which may issue therefor in the United States and its territories and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, including the right to apply for Letters Patents in each foreign country and the United States of America and its territories, in its own name and to claim any and all priority rights under the International Convention, other conventions, treaties, or otherwise associated therewith for each country and the United States of America and its territories, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this Assignment not been made

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith We covenant that we are the lawful owners of the said application(s), apparatus, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said apparatus, inventions, discoveries or improvements or any of them, and that we have the full right to make this Assignment

And for said consideration, we agree individually that we will communicate to said Assignee or the representatives thereof any facts known to me respecting said apparatus, inventions, discoveries and improvements, and will, upon request, but without expense to me,

testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in Interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof This Assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said Assignee

And for said consideration, the undersigned hereby agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign letters patent therefor
