Attention: Kimberly White

Dear Ms. White:

RE: United States Patent Application No: 11/461,915
Cary R. Murphy et al - METHOD OF HIGH
ORDER MODE EXCITATION FOR MULTIMODE INTRUSION DETECTION

Attached is a corrected Recordation Cover Sheet in duplicate listing the third inventor's correct name as Joseph **GIOVANNINI**, his last name was incorrectly spelled both on the cover sheet and in the Assignment.

Also attached is a new corrected Assignment in which the third inventor's name is now spelled correctly.

Attached is a copy of the original Notice of Recordation of Assignment Document listing the reel/frame numbers for the originally filed Assignment.

Could you please substitute the corrected Recordation Cover Sheets and Assignment for the previously filed documents so that the new Assignment retains the original reel/frame numbers? Authorization has been given to charge the fee for this to our Deposit Account.

Would you please correct the records and issue a new Notice of Recordation of Assignment Document listing the third inventor's correct name.
