ASSIGNMENT

WHEREAS, **ROBERT M. KNOX**, a citizen of United States, residing at 601 North First Street, Geneva, IL 60134 has made an invention described and claimed in an application for U.S. Patent executed by the foregoing on even date and entitled: **TRIPLE-FUNCTION VEHICLE SAFETY SENSOR SYSTEM**;

WHEREAS, **epsilon lambda electronics corp.**, State of Illinois Corporation having its principal place of business at 396 Fenton Lane, West Chicago, IL 60185 is desirous of acquiring an interest in and to said invention and to any U.S. Patent that may issue thereafter;

NOW, THEREFORE, be it known that for good and valuable consideration, receipt of which is hereby acknowledged by the undersigned, the entire right, title, and interest of **ROBERT M. KNOX** in and to said application for U.S. patent and invention claimed therein and the resulting patent(s), and any renewals, reissues, extensions, substitutes, continuations or divisions, including foreign rights thereto, as fully set forth and described in the specification of said application for patent is hereby sold, assigned and transferred unto said **epsilon lambda electronics corp.**

Signed at Geneva, Illinois this
14 day of February, 2008.

Robert M. Knox
Robert M. Knox

On this 14 day of February, 2008, before me appeared Robert M. Knox who signed and delivered this instrument and acknowledged that he did so as a free and voluntary act on his own behalf.

John L. Schmitt
Notary Public
