**ASSIGNMENT FOR THE BENEFIT OF CREDITORS**

ASSIGNMENT, made on the 13<sup>th</sup> day of August, 2007, between  
PRESERVATION SCIENCES, INC., with its principal place of business at 800 2d  
Avenue South, St. Petersburg, Florida 33701 (“ASSIGNOR”), and LARRY S. HYMAN,  
whose address is 106 S. Tampania Avenue, Suite 200, Tampa, Florida 33609  
(“ASSIGNEE”).

WHEREAS, the ASSIGNOR has been engaged in the business of research and  
developing green technologies for the agriculture, food, beverage and industrial markets.

WHEREAS, the ASSIGNOR is indebted to creditors as set forth in Exhibit “A”  
annexed hereto, is unable to pay its debts as they become due, and is desirous of  
providing for the payment of its debts, so far as it is possible by an assignment of all of its  
assets.

NOW, THEREFORE, the ASSIGNOR, in consideration of the ASSIGNEE’S  
acceptance of this Assignment and for other good and valuable consideration, hereby  
grants, assigns, conveys, transfers, and sets over unto the ASSIGNEE, his successors and  
assigns, all of its assets, except such assets as are excepted by law from levy and sale  
under any execution, including, but not limited to, all real property, fixtures, goods, stock,  
inventory, equipment, furniture, furnishings, accounts receivables, bank deposits, cash  
promissory notes, cash value and proceeds of insurance policies, claims and demands

belonging to the ASSIGNOR, and all books, records and electronic data pertaining to such assets wherever such assets may be located (the "ESTATE") and which assets are, to the best knowledge and belief of the ASSIGNOR, set forth on Exhibit "B" annexed hereto.

The ASSIGNEE shall take possession of, and protect and preserve, all such assets and administer the ESTATE in accordance with the provisions of Chapter 727, Florida Statutes, and shall liquidate the assets of the ESTATE with reasonable dispatch and convert the ESTATE into money, collect all claims and demands hereby assigned as may be collectible, and disbursements in connection with the execution and administration of this Assignment from the proceeds of such liquidation and collections.

The ASSIGNEE shall then pay and discharge in full, to the extent that funds are available in the ESTATE after payment of administrative expenses, costs, and disbursements, all of the debts and liabilities now due from the ASSIGNOR, including interest on such debts and liabilities. If funds of the ESTATE shall not be sufficient to pay in full the debts and liabilities of the ESTATE, such debts and liabilities shall be paid on a pro rata basis and in proportion to their priority as set forth in Section 727.114, Florida Statutes.

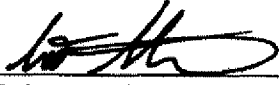

If all debts and liabilities are paid in full, any funds of the ESTATE remaining shall be returned to the ASSIGNOR.

To accomplish the purposes of this Assignment, the ASSIGNOR hereby appoints the ASSIGNEE its true and lawful attorney, irrevocably, with full power and authority to

do all acts and things that may be necessary to execute the Assignment hereby created, to demand and recover from all persons all assets of the ESTATE, to sue for the recovery of such assets; to execute, acknowledge, and deliver all necessary deeds, instruments, and conveyances; and to appoint one or more attorneys under him to assist him in carrying out his duties under the Assignment.

IN WITNESS WHEREOF, this Assignment is signed and sealed by the parties herein on the date and at first above written.
