ASSIGNMENT

WHEREAS QUESTAIR TECHNOLOGIES INC. a Corporation organized under the laws of Canada, having a place of business at 6961 Russell Avenue, Burnaby, British Columbia, Canada is the sole owner of a certain invention entitled ENHANCED SOLID OXIDE FUEL CELL SYSTEMS, for which it is making application for Letters Patent of the United States, said application having been filed as United States Patent Application No. 10/671,750, on September 26, 2003.

WHEREAS Bowie Keefer of 4150 Bodega Beach Drive, Galiano Island, British Columbia, Canada, VON IPO desires to acquire an interest therein:

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, QUESTAIR TECHNOLOGIES INC. hereby sell, assign and transfer to BOWIE KEEFER the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Bowie Keefer, for his own use and benefit, and for his successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by QuestAir had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Bowie Keefer, or his successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign

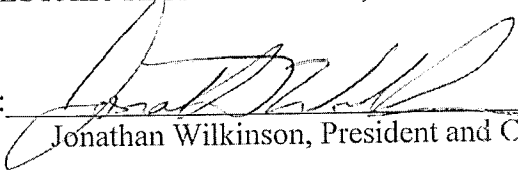

all lawful papers, execute all divisional, continuing and reissue applications, make all right oaths, and do everything possible to aid Bowie Keefer, his successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

QuestAir Technologies hereby grants the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

SIGNED, SEALED AND DELIVERED by QuestAir Technologies at the City of Burnaby, in the Province of British Columbia, Canada, this 28th day of November, 2007.
