Assignor represents, warrants and covenants that: (i) it is the sole owner, assignee and holder of record title to the Patent Rights identified above, (ii) it has obtained and properly recorded previously executed assignments for all patent applications and patents identified above as necessary to fully perfect its rights and title therein in accordance with governing law and regulations in each respective jurisdiction, and (iii) it has full power and authority to make the present assignment.

Assignor further agrees to and hereby does sell, assign, transfer and convey unto Assignee all rights: (i) in and to causes of action and enforcement rights for the Patent Rights including all rights to pursue damages, injunctive relief and other remedies for past and future infringement of the Patent Rights, and (ii) to apply in any or all countries of the world for patents, certificates of invention or other governmental grants for the Patent Rights, including without limitation under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement or understanding. Assignor also hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents or certificates of invention which may be granted upon any of the Patent Rights in the name of Assignee, as the assignee to the entire interest therein.

Assignor will, at the reasonable request of Assignee do all things necessary for effecting completely the assignment of the Patent Rights to Assignee, including without limitation the execution, acknowledgment and recordation of specific assignments on a country-by-country basis, to assist Assignee in perfecting assignment of the Patent Rights to Assignee. Notwithstanding the foregoing, Assignee will be responsible for paying any governmental fees for recording the assignment of the Patent Rights and will reimburse Assignor for its reasonable out-of-pocket expenses. Additionally, at the request of Assignee and in Assignor's sole discretion, Assignor will also assist in providing, and obtaining from the respective inventors, prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, powers of attorney, specifications, declarations or other papers and other assistance reasonably necessary for filing patent applications, complying with any duty of disclosure, and conducting prosecution, reexamination, reissue, interference or other priority proceedings, opposition proceedings, cancellation proceedings, public use proceedings, infringement or other court actions and the like with respect to the Patent Rights. Assignee shall pay Assignor its reasonable rates for time spent providing such assistance and shall be responsible for paying all reasonable costs incurred by Assignor.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its

successors, assigns and other legal representatives, and shall be binding upon Assignor, its successor, assigns and other legal representatives.

IN WITNESS WHEREOF this Assignment of Patent Rights is executed in San Diego California on January 3, 2008.
