PATENT ASSIGNMENT (this "Assignment")

For good and valuable consideration, the receipt of which is hereby acknowledged, SkillSoft Corporation, a Delaware corporation, (the "Asset Seller"), hereby conveys, transfers, assigns and delivers, effective as of October 31, 2007, to AXZO Press LLC, a Delaware limited liability company (the "Buyer"), the entire right, title and interest to the patents and patent applications set forth on Schedule A hereto, and in and to all Letters Patents of the United States and all foreign countries which may or shall be granted on said patent applications, including any divisional, continuing, reissue or other applications based in whole or in part thereon (the "Patents"), including the right to recover for past infringement of the Patents. The Buyer hereby accepts said Assignment.

The Asset Seller does hereby authorize and request the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office and any other similarly competent official in any other countries, jurisdictions or political entities of the world, to issue such Letters Patent as shall be granted upon said applications set forth on Schedule A based thereon to said Buyer, its successors, assigns legal representatives or nominees.

Except as expressly provided in the Asset Purchase Agreement between the Asset Seller and the Buyer, dated October 26, 2007, the Asset Seller makes no warranties, express or implied, with respect to the Patents. The Asset Seller shall, at the cost and expense of the Buyer, take all actions and execute all documents necessary or desirable to record and perfect the interest of the Buyer in and to the Patents.
