**Whereas** XiFi Corp., a Delaware corporation having a place of business at P.O. Box 687, Hollis, NH 03049, and which, together with its successors and assigns, is hereinafter called "Assignor" is the owner of the above-identified Application for Letters Patent of the United States of America, and

**Whereas**, Gregory J. Berchin, an individual having an address at 212 Old Stage Road Williston, VT 05495 who, together with his successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits and privileges hereinafter recited;

**Now, therefore**, for valuable consideration furnished by Assignee to Assignor, receipt and sufficiency of which is hereby acknowledged, Assignor does hereby, without reservation:

1. Assign, transfer and convey to Assignee the entire right, title and interest in and to, said application for Letters Patent of the United States of America, all inventions and discoveries disclosed therein, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation, Convention and non-Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;
2. Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;
3. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;
4. Warrant that it has not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make,

Assignment 1 of 2

use or sell anything embodying or utilizing any of said inventions or discoveries; and that it has good right to assign the same to Assignee without encumbrance;

5. Bind its legal representatives and assigns to do, upon Assignee's request and at Assignee's expense, but without additional consideration to it, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by its legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to it relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in its control or in the control of its legal representatives or assigns which may be useful for establishing the facts of any conceptions, disclosures, and reduction to practice of said inventions and discoveries.
