## ASSIGNMENT

WHEREAS, we, Neeraj Agrawal, a citizen of the United States of America, residing at 29110 Doveridge Drive, Rancho Palos Verdes, CA 90275 and Andreas F. Kotowski, a citizen of the United States of America, residing at 2315 Sunnyside Ridge Road, Rancho Palos Verdes, CA 90275, have invented certain new and useful improvements in a "Single Boom Cargo Scanning System", for which a Letters Patent has been filed in the United States on August 9, 2004 and assigned Serial No. 10/915,687, which claims priority from United States Provisional Patent Application 60/493,935, of the same title, and filed on August 8, 2003, further claiming priority from United States Patent Application No. 10/201,543, filed on July 23, 2002, now United States Patent Number 6,843,599;

AND WHEREAS, Rapiscan Security Products, Inc. (hereinafter "ASSIGNEE"), a corporation, with its principal place of business at 2805 Columbia Street, Torrance, CA 90503, desires to acquire the entire right, title, and interest in and to the said improvements and the said Application:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, the said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said improvements, and the said application and all provisional applications relating thereto, and all divisions, renewals and continuations or continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.
