hereby sell, assign, and convey unto the Assignee, its successors, and assigns, my/our entire right, title, and interest:

1) in and to an invention entitled _____ for which I/We have executed a PCT Patent Application and/or a United States Patent Application on even date herewith, and, if applicable, which claims the benefit of United States Provisional Application Number(s) _____ which was/were filed on _____;

2) in and to an invention entitled ANCHOR BOLT AND ANNULARLY GROOVED EXPANSION SLEEVE ASSEMBLY EXHIBITING HIGH PULL-OUT RESISTANCE, PARTICULARLY UNDER CRACKED CONCRETE TEST CONDITIONS, for which I/We previously filed United States Patent Application Serial Number 11/598,025, on November 13, 2006, which claims the benefit of Provisional Patent Application Numbers 60/810,627, which was filed on June 5, 2006; and

3) in and to said PCT Patent Application, said United States Patent Application, said United States Provisional Application(s), in and to all other patent applications now or hereafter filed in the United States and countries foreign to the United States, including divisional, continuation, reexamination, and reissue applications, and legal equivalents thereof, based upon said invention, and in and to the patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued.

I/We agree that any patent applications of any countries foreign to the United States which may be filed under any applicable international treaties and/or conventions based upon said invention(s) shall be filed in the name of the Assignee with the right to claim priority to any earlier filed applications based upon said invention(s).

I/We hereby further agree that I/We shall, upon demand of the Assignee, its successors, or assigns, and without further consideration to me/us, execute any and all papers that may be necessary, or deemed by the Assignee, its successors, or assigns, to be necessary, to be a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by the Assignee, its successors, or assigns, and not by me/us.

I/We hereby further agree and authorize the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for applicable countries foreign to the United States to issue any and all above-identified patents to the Assignee.
