## ASSIGNMENT

WHEREAS, We, **Hugh O'Donnell and Hubert E. Goeser** of 290 Converse Street, Longmeadow, MA 01106 and **Schmarsauer Strasse 20, 29451 Dannenberg, Germany**, have invented certain improvements in

### **METHOD OF MAKING A LOAD BEARING MEMBER FOR AN ELEVATOR SYSTEM**

identified as Attorney Docket No. 60.469-164; OT-5358, and described in an international patent application under the Patent Cooperation Treaty, as further identified hereinbelow, and

WHEREAS, **Otis Elevator Company**, of Farmington, Connecticut, a corporation of the State of New Jersey, United States of America and **ContiTech Antriebssysteme GmbH**, of Hannover, Germany, a German company (Assignees) are desirous of jointly acquiring the entire worldwide right, title and interest in and to said invention or inventions and any and all Patents, utility models, design patents or other industrial property rights to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned do(es) hereby sell, assign, transfer and set over unto said Assignees, their successors and assigns, to the extent owned or assignable by the undersigned, all right, title and interest in and to said invention or inventions, as described in the aforesaid patent application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any application filed in any country or other authority based thereon, including the right to file said applications under the provisions of the Paris Convention for the Protection of Industrial Property; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in any country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in any country or other authority; and the undersigned hereby authorize(s) and request(s) the issuing authority to issue any and all patents on said application or applications to said Assignees or their successors and assigns.

The undersigned further agree(s), without any further payment or compensation by said Assignees or their successors and assigns, to communicate to said Assignees, their representatives or agents or their successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignees, their successors or assigns and nominees to obtain and enforce proper patent protection for said invention or inventions in any country.

The undersigned hereby authorize(s) the Assignees to insert the application number and filing date of the above-noted international patent application into the following spaces, when known:
