ASSIGNMENT

I, Stefan Niehren of Kellerbergstrasse 18, Altomuenster, Germany 85250, in consideration of ten dollars and other valuable consideration paid to me by Molecular Machines & Industries AG, a Corporation of Switzerland, having its principal place of business at Flughofstrasse 37, CH-8152 Glattbrugg, Switzerland (hereinafter "said Assignee"), the receipt of which is hereby acknowledged, do hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire interest for the United States of America, and its territories and all foreign countries and jurisdictions, including all rights of priority under the International Convention for the Protection of Industrial Property, in a certain invention or improvement in "*Method and Apparatus for Cutting and Collecting Dissected Specimens*" described in U.S. Serial No. 11/837,006 filed in the United States Patent and Trademark Office on August 10, 2007, by Stefan Niehren, and in the foreign application to which priority is claimed, being European Patent No. 06016816.8 filed in the European Patent Office on August 11, 2006, and in all Letters Patent of the United States and its territories and all foreign countries and jurisdictions which may or shall be granted on said invention, or any parts thereof, or on said application, or any provisional, divisional, continuation, continuation-in-part, reissue, or other applications based in whole or in part thereon. And I agree, for myself and my executors and administrators, with said Assignee and its successors and assigns, but at its or their expense or charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and its territories and in all other foreign countries and jurisdictions to said Assignee, with specifications and claims in such form as shall be approved by the counsel of said Assignee, and to vest and confirm in said Assignee, its successors and assigns, the legal title to all such patents.

Title: "Method and Apparatus for Cutting and Collecting Dissected Specimens"
By: Stefan Niehren
Filed: August 10, 2007
ASSIGNMENT

And I do hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said Assignee, its successors and assigns.

WITNESS my hand and seal this 22 day of October, 2007.

Stefan Niehren
