ASSIGNMENT OF APPLICATION

Whereas, I / We, Alan D. Ball of Somerville, MA, have invented certain new and useful improvements in Kitchen Appliances for which an application for a United States Patent was filed on 01/08/2008, attorney docket no. 2214/D, titled "Slow Cooker", Application number 29/299984.

Whereas, Conair Corporation, a Delaware Corporation, here referred to as "assignee" whose mailing address is 1 Cummings Point Road, Stamford, CT 06902 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of one dollar (\$ 1), the receipt whereof is acknowledged, and other good and valuable consideration, I / We, the applicant(s), by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and worldwide and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States and worldwide, including any continuations, divisionals, or the like. I / We hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof, and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
