STATEMENT OF ASSIGNMENT

WHEREAS, we, the undersigned (hereinafter "the undersigned"), are the inventors of **Method and System for Processing a Message**, an invention described in the patent application No. 0707023.8 filed on 11.4.2007 with the UK Patent Office;

WHEREAS, Blyk Services Oy (hereinafter "the assignee"), a private limited company organised and existing under the laws of Finland and having its registered office at Mikonkatu 17 B, 00100 Helsinki, Finland, has acquired the entire right, title and interest in said invention by virtue of the employment agreements duly entered into with us; and desires to have confirmed the acquisition thereof;

NOW THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned do hereby confirm to have assigned and transferred to the assignee and assignee's successors, assigns and legal representatives their entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the application entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and re-examinations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty;

AND, it is further stated that the undersigned shall be legally bound, upon request of the assignee and at its expense, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument;
