ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I

John C. Hopkins

of

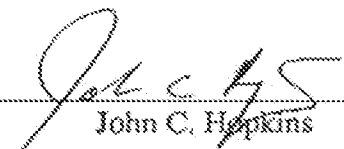

San Antonio, Texas

hereby sell, assign and transfer to United Services Automobile Association, a reciprocal interinsurance exchange of the State of Texas having a place of business at 9800 Fredericksburg Road, San Antonio, Texas 78288-0002, its successors and assigns, the entire right, title and interest throughout the world in my invention in:

SYSTEMS AND METHODS FOR MODELING INSURANCE COVERAGE

for which I have executed a United States patent application on or about the date of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request the Commissioner of Patents and Trademarks to issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 7th day of March, 2008.

John C. Hopkins
