and

WHEREAS, Mentor Graphics Corporation (hereinafter Assignee), a corporation organized under the laws of the state of Oregon, having a place of business at 8005 SW Boeckman Road, Wilsonville, OR 97070-7777, desires to acquire the entire right, title and interest in and to said Patent Properties and worldwide rights in the inventions described therein.

For good and valuable consideration, receipt of which is acknowledged, Assignor does hereby assign to Assignee the entire right, title and interest in and to each and all of the Patent Properties identified above, including all worldwide rights thereto, rights of priority therein and to file for protection of inventions set forth therein under the Patent Cooperation Treaty and under any other treaty or laws of any country, and in and to any and all letters patent which may

be granted therefor, and any divisions, continuing applications, reexaminations, reissues, or extensions thereof, the same to be held and enjoyed by Assignee, its successors, or assignees, to the full end of the term or terms for which any and all letters patent may be granted, together with all claims against third parties for damages by reason of past infringement of any one or more of said Patent Properties with the right to sue for and collect the same for Assignee's own use and for the use of Assignee's successors, assigns and other legal representatives.

Assignor covenants and agrees in favor of Assignee and its successors that at any time upon the request of Assignee or its successors, Assignor will, at Assignee's expense, communicate to Assignee or its successors all information known to Assignor relating to the Patent Properties, execute and deliver all papers, make all rightful oaths, testify in any legal proceedings and perform all other lawful acts necessary including: (i) to execute papers reasonably required by Assignee to perfect title to the Patent Properties, including divisions and continuations thereof and to any and all letters patent which may be granted therefor or thereon, in any country, including reissues or extensions, in Assignee or its successors; (ii) to assist Assignee or its successors in obtaining, maintaining, confirming or enforcing by reissue or reexamination a grant of a valid United States Patent to Assignee on said Patent Properties; and (iii) to assist Assignee in connection with any interference which may be declared concerning said Patent Properties and any letters patent which may be granted therefor or thereon, or any confirmation, division, continuation, reexamination or reissue thereof; (iv) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar treaties or agreements.
