ASSIGNMENT

WHEREAS, we, Ray Garries, a citizen of the United States, and resident of 1226 Queets Drive, Fox Island, Washington 98333, Gary Brunold, a citizen of the United States, and resident of 2021 Lakeshore Drive, Klamath Falls, Oregon 97601, Tim Laurance, a citizen of the United States and resident of 210 West Oregon Avenue, Klamath Falls, Oregon 97601, and Nick Strahm, a citizen of the United States, and resident of 2023 North Eldorado Avenue, Apt. No. 2, Klamath Falls, Oregon 97601, have invented certain new and useful improvements in WINDOW LATCH, for which a patent application was filed on January 9, 2008; and assigned Serial No.: 11/971,641; and

WHEREAS, JELD-WEN, inc., a corporation of the State of Oregon, having an address of 3250 Lakeport Boulevard, P.O. Box 1329, Klamath Falls, Oregon 97601-1099, is desirous of acquiring the right, title and interest in and to said invention and any and all patents resulting therefrom, including any foreign patents.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable considerations, we do hereby sell, assign and transfer unto said JELD-WEN, inc., its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application, and in and to any applications filed in any foreign country based thereon, including the right to file said foreign

applications under the provisions of the International Convention; also any improvements on said invention or inventions now or hereafter made by us during the period of our employment; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention, inventions, or improvements and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention, inventions, or improvements in this or any foreign country, and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said JELD-WEN, inc. as assigned of the entire interest.

Further, we agree that we will communicate to said JELD-WEN, inc. all facts known to us respecting said invention, and testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do everything possible to said JELD-WEN, inc., its successors and assigns, to obtain and enforce proper protection for said Letters Patent in the United States and in any and all foreign countries.

ASSIGNMENT

WHEREAS, James RIPLEY, Steve PILTINGSRUD and Scott MEUNIER (referred to as "ASSIGNOR") have invented certain new and useful improvements in an invention entitled "WINDOW LATCH" for which an application for a United States Patent has been filed with the United States Patent and Trademark Office on January 9, 2008, and has been assigned an application serial number of 11/971,641; and

WHEREAS, JELD-WEN, inc., a corporation doing business at 3250 Lakeport Boulevard, Klamath Falls, OR 97601 (hereinafter referred to as the "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in and to said invention, and in and to said application and any Letters Patent that may issue thereon, including any foreign patents;

WHEREAS, Amesbury Group, a corporation ("Employer") doing business at 515 Noid Road, Canton, SD 57013, employs each ASSIGNOR and desires to waive and assign to ASSIGNEE any rights it may have by contract, law or otherwise, in or to said invention, and in and to said application and any Letters Patent that may issue thereon, including any foreign patents.

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, (1) ASSIGNOR hereby sells, assigns and transfers to said ASSIGNEE, and to ASSIGNEE'S successors and assigns, ASSIGNOR'S entire right, title and interest in and to said invention, or inventions, as described in the aforesaid application, in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in any and all foreign countries to be obtained for said invention by said application or any patent application claiming priority to the application, or

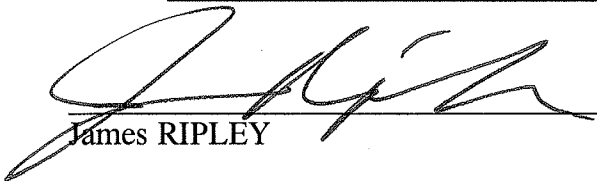

any continuation, division, continuation-in-part, reexamination, renewal, substitute, extension or reissue thereof or any legal equivalent thereof in a foreign country for the full term or terms for which the same may be granted; and authorize and request the Commissioner of Patents of the United States and any official of any foreign country whose duty it is to issue patents or legal equivalents thereto, to issue same for this invention to ASSIGNEE, its lawful successors and assigns; and (2) Employer hereby waives and sells, assigns and transfers to said ASSIGNEE, and to ASSIGNEE'S successors and assigns, any of Employer's right, title and interest Employer may have by contract, law or otherwise in and to said invention, or inventions, as described in the aforesaid application, in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in any and all foreign countries to be obtained for said invention by said application or any patent application claiming priority to the application, or any continuation, division, continuation-in-part, reexamination, renewal, substitute, extension or reissue thereof or any legal equivalent thereof in a foreign country for the full term of terms for which the same may be granted; and authorize and request the Commissioner of Patents of the United States and any official of any foreign country whose duty it is to issue patents or legal equivalents thereto, to issue same for this invention to ASSIGNEE, its lawful successors and assigns.

Each ASSIGNOR and Employer further covenants that ASSIGNEE will, upon ASSIGNEE's request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to ASSIGNOR or Employer and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE of its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes thereof.

IN WITNESS WHEREOF, I/We have hereunto set hand and signed on the date indicated below:
