ASSIGNMENT of U.S. and Foreign Patent Rights (corrected)

Atty. Docket: 2671-0002

Effective January 1, 2005, in consideration of the sum of ten dollars (\$10.00) and other good valuable considerations paid to DesignTech International, Inc., a corporation of Virginia, having an office and place of business at 7955 Cameron Brown Court, Springfield, VA 22153 (hereinafter "Assignor"), Assignor assigned, transferred and set over to DesignTech International, LLC, a corporation of Virginia, having an office and place of business at 8625 Hampton Way, Fairfax Station, VA 22039 (hereinafter "Assignee"), Assignor's entire right, title and interest in the invention, all applications filed therefor for patent in the United States and in foreign countries (including divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexamination applications, extensions, and all other patent applications that have been or shall be filed on the invention), all Letters Patent (including original patents, reissued patents, reexamination certificates, and extensions) which may be granted therefor in the United States and in foreign countries, rights of priority resulting from the filing of any such application, and all rights of recovery for past infringement thereof for the invention known as:

(Title) WALKIE-TALKIE WITH SCREEN TO SHOW A LIST OF OTHER WALKIE-TALKIES WITHIN COMMUNICATIONS RANGE

including U.S. application Serial No. 10/776,201, February 12, 2004 (now U.S. Patent No. 7,299,075) and its pending continuation (U.S. application Serial No. 11/907,178, filed October 10, 2007).

Assignor agrees to execute all papers and documents necessary in connection with the application or any interference which may be declared and any provisional-completion, utility, design, continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as Assignee may deem necessary or expedient and further to perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

Assignor agrees to perform all affirmative acts which may be necessary to obtain a grant of valid United States and corresponding foreign patents to Assignee.

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing applications thereof to Assignee, as assignee of the entire interest, and hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed and will not execute, any agreement in conflict herewith.

Assignor hereby grants the firm of DAVIDSON BERQUIST JACKSON & GOWDEY LLP the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.
