Attorney Docket No. 4494

ASSIGNMENT

For valuable considerations, the receipt of which is hereby acknowledged, I, hereby assign to Jenny Products, Incorporated, having its principal place of business at 850 North Pleasant Avenue, Somerset, PA 15501, its successors and assigns, all rights in, to and under my invention disclosed in an application for United States Letter Patent executed by me of even date herewith for improvements in MOTOR TO ACCESSORY DRIVE SYSTEM, together with said application and all divisions, renewals, or continuations thereof, and my rights in, to and under all patents granted on said inventions by any countries. I warrant that I have full unencumbered ownership of the said inventions, unconditional right to make this Assignment, that no license exists thereunder, and that no other application for United States Letters Patent on the same invention has been or will be executed by me as of this date. I agree, upon request, without further consideration, but without expense to me, to execute all papers and generally do everything necessary to obtain and maintain patent protection for and exclusive enjoyment of said inventions by and for said assignee everywhere in the world.

Signed and sealed the day indicated hereafter.
