ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned

Ralph Albert Dalla Betta
865 Doverton Square
Mountainview, CA 94040

hereby sells and assigns to:

Eaton Corporation
North American Financial Services Center (NAFSC)
PO Box 818031
Cleveland, OH 44181-8031
United States

its successors and assigns, the entire right, title and interest, so far as concerns the United States and all other countries, in and to the inventions entitled:

"Pre-Combustor and Large Channel Combustor System For Operation Of A Fuel Reformer At Low Exhaust Temperatures"

for which application for United States Letters Patent is being filed under Express Mail No. . This assignment includes all applications for Letters Patent on the inventions described in that application whether in the United States or any other country, including divisional, continuation, continuation-in-part, Patent Cooperation Treaty, and all other applications claiming priority from the above-referenced application. The assignee is hereby authorized to file patent applications in any or all countries on any or all of the inventions in the name of the undersigned or in the name of the assignee or otherwise. The Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments are hereby authorized to issue or transfer all Letters Patent based on any of these applications to the assignee. The assignor covenants that the assignor has full power to make this assignment and has not encumbered the inventions by any grant, license, or other prior document granting rights to the inventions. The undersigned agrees to do all acts reasonably serving to assure that the inventions, patent applications, and Letters Patent shall be held and enjoyed by the assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made. The assignor agrees to execute and deliver to the assignee all documents and information reasonably requested by the assignee to facilitate the prosecution of the assigned applications. The assignor also agrees to furnish the assignee with all facts relating to the inventions or the history of the inventions and any and all documents, photographs, models, samples or other physical exhibits that may be useful in establishing conception, disclosure and reduction to practice of the inventions, and to testify in any proceedings relating to the patent applications.
