ASSIGNMENT

WHEREAS, I, Roderick Boswell, a resident of O'Connor, Australian Capital Territory, Australia, Orson Sutherland, a resident of Leiden, The Netherlands, hereinafter called the ("Assignors"), have invented a certain new and useful inventions described in a patent application entitled; **"Charged Particle Extraction Device and Method of Design There For,"** for which an application for a United States Patent:

☐ was executed on _____ and is attached hereto,

☒ was filed on August 10, 2006, and assigned U.S. Patent Application

No.: 10/588,981.

WHEREAS, FEI Company, a corporation, having its principal place of business at 5350 NE Dawson Creek Drive, Hillsboro, OR 97124-5793, is desirous of acquiring and Assignors are desirous of assigning to FEI Company all right, title, and interest in and to said Invention, patents and patent applications on said Invention;

NOW, THEREFORE, Assignors, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby SELL, ASSIGN and CONVEY unto Assignees partial right, title and interest throughout the world in and to said invention, this assignment including, but not being limited to:

1. All applications for patent or like protection on said Invention made by Assignors or their legal representatives, whether in the United States of America or any other country or place anywhere in the world;

2. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extension, and the like of said applications and patents and like grants, including

without limitation, those obtained or permissible under past, present and future laws or statutes;

3. All rights of action on account of past, present and future unauthorized use of said Invention and for infringement of said patents and like protection;

4. The right to file in its name applications for patents and like protection for said Invention in any country or countries foreign to the United States; and

5. All international rights or priority associated with said Invention, applications for patents, patents and like protection.

I hereby authorize and request the U.S. Patent and Trademark Office, and all other national patent offices in which corresponding applications are filed, to issue any patents for the said invention to said assignees, of the partial right, title, and interest in and to the same, for their solo use and behoof and for the use and behoof of their legal representatives, to the full end of the term for which said patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Assignors covenants that Assignors, their heirs, legal representatives, assigns, administrators, and executors will execute all papers and perform such other acts, with expenses if any to be paid by Assignees, as may be reasonably necessary to give Assignees, their successors and assigns, the full benefit of this Assignment. This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.
