# ASSIGNMENT

WHEREAS, we, Jerry A. Nick of 660 Krameria Street, Denver, CO 80220, and Quinn M. Parks of 9123 E. Mississippi Avenue, Apt. 20-104, Denver, CO 80247, have invented a certain new and useful invention entitled, Methods and Compositions for the Disruption of Biofilms, for which an application for Letters Patent of the United States has been prepared and filed on February 14, 2008, receiving Application No. 12/031,029, and further identified as Attorney File No. 2879-126.

NOW THEREFORE, be it known that we, the said inventors, for and in consideration of good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, National Jewish Medical and Research Center, a non-profit organization having a place of business at 1400 Jackson Street, M206a, Denver, CO, 80206, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of American and all continuation, divisional, continuation-in part and reissue applications, all applications for extension filed or to be filed for the invention, and all Letters Patent, invention Registrations, utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; we also assignee any right, title or interest in and to the invention in the United States or any other country; we also assign any right, title or interest in and to the invention which has not already been transferred to the assignee; we warrant that we have made no assignment of the invention, application or patent therefor to a party other than National Jewish Medical and Research Center and we are under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to National Jewish Medical and Research Center, its successors, legal representatives and assigns, as the assignee of entire right, title, and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
