## ASSIGNMENT

WHEREAS, Sarcos Investments LC, a limited liability company, (hereinafter "Assignor") owns the entire right, title and interest in the United States and foreign patent applications listed in the attached exhibit; and

WHEREAS, Sterling LC, a limited liability company, having a business address of 360 Wakara Way, Salt Lake City, Utah 84108 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, said Assignor, hereby grants and assigns unto the said Assignee, the entire right, title and interest in said inventions and in all patent applications based thereon, including but not limited to the above identified United States and foreign patent applications and in all divisions, continuations, and continuations-in-part of said applications, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign patent applications on said inventions, and to do so in its own name wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.
