STAAS & HALSEY LLP

1) Each undersigned agrees to execute all papers

necessary in connection with any application and any
continuing, divisional or reissue applications for the
invention, and any patent(s) issuing thereon, and also to
execute separate assignments in connection with such
applications and patents as the Assignee may deem necessary.

2) Each undersigned agrees to execute all papers

necessary in connection with any interference which may be
declared concerning any application or continuation or
division thereof, or any patent or reissue application based
thereon, for the invention, and to cooperate with the Assignee
in every way possible in obtaining evidence and going
forward with such interference.

3) Each undersigned agrees to execute all papers and

documents and perform any act which may be necessary in
connection with claims or provisions of the International
Convention for Protection of Industrial Property or similar
agreements.

4) Each undersigned agrees to perform all affirmative

acts which may be necessary to obtain, maintain or confirm by
reissue or reexamination a grant of a valid United States
patent to the Assignee.

5) Each undersigned authorizes and requests the

Commissioner of Patents to issue any and all Letters Patents
of the United States resulting from said application(s) to the
said Assignee, as Assignee of the entire interest, and
covenants that he has full right to convey the entire interest
herein assigned, and that he has not executed, and will not
execute, any agreements in conflict herewith, and agrees that
this assignment is binding on him and his heirs, successors,
assigns and legal representatives.

6) Each undersigned hereby grants the firm of STAAS

& HALSEY LLP the power to insert on this assignment any
further identification that may be necessary or desirable in
order to comply with the rules of the United States Patent and
Trademark Office for recordation of this document.
