ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, **Peter Strzepa** and **Stephen D. Cook** hereby:

ASSIGNS and SELLS to MoiRai Orthopedics, LLC. ("the Assignee"), a Louisiana limited liability company, having a place of business at 320 Hammond Highway, Suite 406, Metairie, Louisiana 70005, its successors and assigns, the entire right, title and interest in and to our invention relating to Cartilage Implants and Methods of Use in and for the territory of the United States of America, and we hereby assign to Assignee, the application for United States patent therefor filed on March 6, 2008, under Pat. No. 12/074,770 and entitled "Cartilage Implants and Methods of Use," and all United States patents granted therefor and all divisions, reissues, continuations, continuations-in-part and extensions thereof, and we hereby sell and assign to Assignee, its successors and assigns, the entire right, title and interest in and to the invention in and for all countries foreign to the United States of America, and we hereby covenant that we have full right so to do, and we agree that we will sign all lawful papers, execute all divisional, continuation, continuations-in-part and reissue applications, authorizations, assignments, and application papers, make all rightful declarations, affirmations, and oaths and generally do everything possible to aid Assignee, its successors, assigns and nominees, to obtain and enforce proper protection for the invention in all countries throughout the world;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements;
