DEED OF CONFIRMATION

DATE 13 December 2004 HCH
2/4/08

PARTIES

The University of Newcastle, of University Drive, CALLAGHAN, New South Wales
2308, Australia (University)

Nuzhat Ahmed, of 33 Tom Roberts Crescent, YALLAMBIE, Victoria, 3085, Australia
(Researcher)

RECITALS

- (A) The Researcher was recorded as an inventor in respect of the International Application filed in respect of the Invention.
- (B) The Invention arose during research undertaken by the Researcher while the Researcher was an employee of the University during the ordinary course of, and in connection with, the employment of the Researcher by the University.
- (C) By this document the University and the Researcher acknowledge and confirm that any, and all, rights, title and interest of the Researcher in the International Application, the Provisional Application and the Invention in respect of the Commonwealth of Australia and all other jurisdictions and countries throughout the world, passed to the University by virtue of, and in connection with, the employment of the Researcher by the University, and that at all material times the University owned any, and all, rights, title and interest of the Researcher in the International Application, the Provisional Application and the Invention.

OPERATIVE PROVISIONS**1. INTERPRETATION****1.1 Definitions**

The following definitions apply to this document.

International Application means International (PCT) Patent Application No. PCT/AU01/01672 filed 21 December 2001 claiming priority from the Provisional Application.

Invention means the, or each, invention disclosed in the International Application and the Provisional Application.

Provisional Application means Australian Provisional Patent Application No. PR2305 filed 22 December 2000.

1.2 Rules for interpreting this document

Headings are for convenience only, and do not affect interpretation. The following rules also apply in interpreting this document, except where the context makes it clear that a rule is not intended to apply.

- (a) A reference to:
 - (i) a document or agreement, or a provision of a document or agreement, is to that document, agreement or provision as amended, supplemented, replaced or novated;
 - (ii) a party to this document or to any other document or agreement includes a permitted substitute or a permitted assign of that party;
 - (iii) anything (including a right, obligation or concept) includes each part of it.
- (b) A singular word includes the plural, and vice versa.
- (c) A word which suggests one gender includes the other genders.
- (d) If a word is defined, another part of speech has a corresponding meaning.

2. CONFIRMATION

The University and the Researcher acknowledge and confirm that any, and all, rights, title and interest of the Researcher in, and to, the International Application, the Provisional Application and the Invention in respect of the Commonwealth of Australia and all other jurisdictions and countries throughout the world, passed to the University by virtue of, and in connection with, the employment of the Researcher by the University and that at all material times the University owned any, and all, rights, title and interest of the Researcher in the international Application, the Provisional Application and the Invention, including:

- (a) the right to apply in the name of the University or its successors in title, for intellectual property rights relating for the Invention including Letters Patent in any country or countries throughout the world, whether with or without claim to priority from the Provisional Application; and
- (b) any, and each, patent application derived, or which derives from, the International Application, and any, and each Letters Patent granted, or which may be granted, in respect of the Invention including any amendments, extension, re-issues or re-grants of, or to, any of them.

3. GENERAL

3.1 Amendment

This document can only be amended, supplemented, replaced or novated by another document signed by the parties.

3.2 Governing law

- (a) This document is governed by the law in force in New South Wales, Australia.
- (b) Each party submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in New South Wales, Australia, and any court that may hear appeals from any of those courts, for any proceedings in connection with this document, and waives any right it might have to claim that those courts are an inconvenient forum.

3.3 Giving effect to this document

Each party must do anything (including execute any document), and must ensure that its employees and agents do anything (including execute any document), that the other party may reasonably require to give full effect to this document.

3.4 Operation of this document

- (a) This document contains the entire agreement between the parties about its subject matter. Any previous understanding, agreement, representation or warranty relating to that subject matter is replaced by this document and has no further effect.
- (b) Any right that a person may have under this document is in addition to, and does not replace or limit, any other right that the person may have.
- (c) Any provision of this document which is unenforceable or partly unenforceable is, where possible, to be severed to the extent necessary to make this document enforceable, unless this would materially change the intended effect of this document.

3.5 Counterparts

This document may be executed in counterparts.
