and interest in and to said invention, said application and the Letters Patent, both foreign and
domestic, that may or shall issue, including all rights under the International Convention, and we
do hereby authorize and request the Commissioner for Patents to issue said Letters Patent to the
above-mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly
designate, to apply for Letters Patent, in its own name, if desired, in any and all foreign
countries, and additionally to claim the filing date of said United States application and/or
otherwise take advantage of the provisions of the International Convention.

We do hereby covenant and agree with the said assignee, its successors and assigns, that
we will not execute any writing or do any act whatsoever conflicting with these presents, and
that we or our executors or administrators will, at any time upon request, without further or
additional consideration, but at the expense of said assignee, its successors and assigns, execute
such additional writings and do such additional acts as said assignee, its successors and assigns,
may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all
necessary assistance in making application for and obtaining original, divisional, reissued or
extended Letters Patent of the United States, or of any and all foreign countries on said
invention, and in enforcing any rights, occurring as a result of such applications or patents, by
giving testimony in any proceedings or transactions involving such applications or patents.
