WHEREAS, the Company has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to guarantee the obligations of the Company with respect to the Notes and the Indenture, the Company agrees, for the benefit of the Collateral Agent and the Holders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Indenture and in the Security Agreement.

SECTION 2. Grant of Security Interest. The Company hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon written demand delivered to the Company upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of the Company's right, title and interest in, to and under the Patents and Patent Licenses (including, without limitation, those items listed on Schedule A

In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.
