RELEASE OF SECURITY INTEREST

This Release of Security Interest (this "**Release**"), dated as of _____, 2008, is by Weiss Jensen Ellis & Howard P.C, by and through its successors, Holland + Knight LLP ("**Secured Party**").

A. WHEREAS, pursuant to a Security Agreement dated as of March 18, 1997, as may have been amended from time to time (the "**Security Agreement**") Joseph F. Walsh and E-Comm Incorporated (collectively, "**Grantors**") granted to Secured Party a security interest in all of its now owned or hereafter acquired intellectual property and other related assets (the "**Collateral**"), which security interest was filed with the United States Patent and Trademark Office:

Debtor	Secured Party	Reel/Frame	Filing Date
Joseph F. Walsh and E-Comm Incorporated	Weiss Jensen Ellis & Howard	8824/0347	December 2, 1997

B. WHEREAS, pursuant to a Patent Purchase Agreement, dated February 28, 2008, between E-Comm Incorporated and Moce Solutions Limited Liability Company ("**Purchaser**"), E-Comm Incorporated proposes to sell, transfer and convey to Purchaser all of Grantors' right, title and interest in and to the Patent Rights (as defined below).

C. WHEREAS, in connection with the proposed sale of the Patent Rights to Purchaser, Grantors have requested Secured Party to release any and all right, title and interest in and to the Patent Rights and Secured Party wishes to release any and all such right, title, and interest.

NOW, THEREFORE, FOR VALUE RECEIVED, Secured Party does hereby irrevocably and unconditionally release any and all right, title or interest of any kind that exists today and may exist in the future in and to the following intellectual property held as Collateral and all rights therein of any type or description including, without limitation: (a) the patents, patent applications, and provisional patent applications listed on Exhibit A attached hereto (the "**Patents**"); (b) patents or patent applications (i) to which any of the Patents directly or indirectly claims priority, (ii) for which any of the Patents directly or indirectly forms a basis for priority, and/or (iii) that directly or indirectly incorporate by reference the Patents or are directly or indirectly incorporated by reference by the Patents; (c) reissues, reexaminations, extensions, continuations, continuations in part, continuing prosecution applications, requests for continuing examinations, divisions, and registrations of any item in any of the foregoing categories (a) and (b); (d) foreign patents, patent applications and counterparts relating to any item in any of the foregoing categories (a) through (c), including, without limitation, certificates of invention, utility models, industrial design protection, design patent protection, and other governmental grants or issuances; and (e) any items in any of the foregoing categories (b) through (d) whether or not expressly listed as Patents and whether or not claims in any of the foregoing have been rejected, withdrawn, cancelled, or the like; (f) all inventions, invention disclosures, and discoveries described in any item in any of the foregoing categories and all other rights arising out of such inventions, invention disclosures, and discoveries; (g) all rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, or other governmental grants or issuances of any type related to any item in any of the foregoing categories and the inventions, invention disclosures, and discoveries therein; (h) all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, any of the Patents and/or any item in any of the foregoing categories, including, without limitation, all causes of action and other enforcement rights for (1) damages, (2) injunctive relief, and (3) any other remedies of any kind for past, current, and future infringement; and (i) all rights to collect royalties and other payments under or on

account of any of the Patents and/or any item in any of the foregoing categories (b) through (h) (collectively, the "**Patent Rights**").

Secured Party hereby authorizes Grantors or Grantors' authorized representative to file this Release with the applicable filing office(s) in order to memorialize the release of any security interest of the Secured Party in the Patent Rights.

This Release is governed by the law of the State of Delaware, excluding its choice of law principles to the contrary. This Release shall be binding upon Secured Party and its successors and assigns and inures to the benefit of Grantor's successors and assigns with respect of the Patent Rights.

IN WITNESS WHEREOF, Secured Party has caused this Release to be executed as of the date set forth above.
