A S S I G N M E N T

WHEREAS, we, Charles C. Habeger, Jr. of Burien, Washington, and Randall T. Telling of Puyallup, Washington; both citizens of the United States; have invented "Container blank" for which an application for Letters Patent of the United States of America was filed on March 31, 2006, as Serial No. 11/394,546;

WHEREAS, WEYERHAEUSER COMPANY, a Washington corporation, having its principal place of business at Federal Way, King County, Washington (hereinafter referred to as the ASSIGNEE), wishes to obtain the entire right and interest in the invention;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is acknowledged, we, the inventors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, to the ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention, and the application and all divisions and continuations thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for improvements in any country or countries foreign to the United States of America, and all Letters Patent which may be granted for improvements in any country or countries foreign to the United States of America and all extensions and reissues thereof; and we authorize and request the Commissioner of Patents and Trademarks of the United States of America and any Official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for this invention to the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE covenant that we have full right to convey the entire interest herein assigned and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE further covenant and agree that we will communicate to the ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for improvements in all countries.

IN TESTIMONY WHEREOF, we set our signatures this
