PATENT

REEL: 020867 FRAME: 0053

ASSIGNMENT	Attorney Docket No.: 186805/US/3	Page 1 of 2
	First Named Inventor: Patrick Guire	
	Title: Nanotextured Surfaces	

WHEREAS, I, Patrick Guire, of 6741 Tartan Curve, Eden Prairie, Minnesota 55346; Kristin Taton, of 2389 Greenbrier Circle, Little Canada, Minnesota 55117; Jie Wen, of 8866 Belvedere Drive, Eden Prairie, Minnesota 55347; and Laurie R. Lawin, of 3170 Bent Tree Hills Drive, New Brighton, Minnesota 55112, have invented certain new and useful improvements as described in an application entitled **NANOTEXTURED SURFACES** for Letters Patent of the United States, the application being identified in the United States Patent and Trademark Office by Application No. 11/457,170, filed July 13, 2006; and

WHEREAS, INNOVATIVE SURFACE TECHNOLOGIES, INC., a company organized and existing under the laws of the State of Minnesota, and having offices at 1000 Westgate Drive #260, St. Paul, Minnesota 55114 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to the invention, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, I transfer to Assignee, its successors and assigns, my entire right, title, and interest in and to the invention, the above-identified patent application, corresponding domestic applications (including divisionals, continuations, and continuations-in-part and any related provisional application), corresponding foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and I authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries, when available, and to insert, when available, the US application number above and in other formal filing documents.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.

 Patrick Guire
