Silver Spring, Maryland 20904

Re: Loan and Security Agreement dated April 11, 1995

Dear Dr. Tran:

Coherent, Inc. ("Coherent") and Infrared Fiber Systems, Inc. ("IFS") entered into a Loan and Security Agreement dated April 11, 1995 (the "Loan Agreement"), whereby IFS granted a security interest to Coherent in the Collateral (as defined in the Loan Agreement), including a security interest in Patent No. 4898777, Patent No. 5274728 and Patent No. 5055120 (collectively, the "Patents"). Coherent acknowledges that all obligations under the Loan Agreement have been fully and completely satisfied, and hereby irrevocably and unconditionally releases, waives and discharges any and all security interests it holds under the terms of the Loan Agreement against any and all Collateral, including against the Patents, of IFS or its representatives, successors and assigns.

If you have any questions, please do not hesitate to contact me.

Sincerely,

COHERENT, INC.
